ST. PETER'S MISSIONSFEST

The St. Peter's Evangelical Lutheran church Missionfest was a great success. The weather, roads and people's hearts were all in tune to the good cause. Prof. O. Hattstedt of Milwaukee preached in the morning and Rev. A. Photoshauer of Addison gave the address in afternoon. The Melodia Damenchor and Concordia Mennerchor sang in the forenoon and the regular church choir in the afternoon. The Arlington Heights Band played during intermissions and a fine concert at noon. This band has been formed less than a year and under the able directorship of Prof. H. C. Landeck has reached a very high standard. The receipts for the day were most satisfactory.

COUNCIL PROCEEDINGS

Monday Eve, June 5
Board called to order by Pres. P. J. Mors. All members present. Minutes read and approved.

Reports of standing committees:
Finance Committee reported favorably on bills and pay roll amounting to \$978.48.

Pay Roll—May 16 to May 31

J. W. Yonke, marsh.	\$ 27.50
L. H. Yonke, Supt. Water Works	30.00
Edw. Siburg, labor	12.50
Wm. Gains, labor	7.55
C. Kuehnmeister, labor	25.75
Henry Yonke, labor	10.00
Henry Yonke, labor	12.82

Total \$978.48

Report accepted and vouchers ordered drawn for the various amounts. S. D. & S. Com. reported on condition of sidewalk on State Road, abutting the Zappel property.

Special committee on sewers reported that sewage was being run into open ditch through the Mrs. Zappel property and that filtering beds at septic tank were now in running order. Report accepted and Sanitary com. ordered to investigate the running of sewage in open ditch referred to above and report at next meeting.

Treasurer's report showing balance on hand June 1st, \$3291.67. Report ordered placed on file.

Reports of Supt. W. Works and Street Commissioners read and ordered placed in hands of proper committees.

Flag Day proclamation as ordered by Gov. Dunne was read and on motion it was ordered that the U. S. flag be displayed on all public buildings, and clerk ordered to have said proclamation printed in village papers.

Old People's Home Association granted permit for use of street for erecting tent at Altheim Day.

An ordinance repealing an ordinance for the opening of Ridge Road passed Oct. 1st, 1904 was read and under the suspension of rules was placed on its passage.

The following rates for digging trenches for water and sewer connections were adopted:

Short length, water only	\$ 2.50
Long length, water only	4.00
Short length, water and sewer combined	2.50
Long length, water and sewer combined	3.00

Lighting Committee ordered to report as to new lights required on State Road. Adjourned.

Board of Local Improvements
Met in regular session Monday eve, June 5. All members present. Pres. Mors appointed Messrs. Henry Garms and J. C. Boeger as inspectors on the contemplated Street paving improvement.

A Resolution providing for the opening of Ridge Avenue from the North line of Miner St. to the North line of Campbell St. together with the President's estimate of the cost of same was read and adopted.

Adjournment, H. G. Lorenzen, Sec'y

FLAG DAY PROCLAMATION
The following proclamation of Gov. Dunn was read at Board Meeting, May 5, 1916:
Complying with a long established custom and national legislation on the subject, I hereby set apart Wednesday, June 14, 1916 as Flag Day. I urge that citizens observe the day in all parts of our state in befitting manner and that the national emblem be displayed upon our public buildings, school houses, business houses and homes on June 14. I also recommend that flag day be observed by the participation of the citizens in such ceremonies as are appropriate to the occasion and that each citizen wear a small flag in honor of the day.

PUBLIC SCHOOL NOTES

A special meeting of the Parent-Teachers Association will be held Monday evening, June 12 at 8 o'clock in the high school room. This meeting is called for the election of directors.

The Civics Class with Miss Krueger took a trip to Chicago Wednesday, May 24. The morning was spent at the County Court House, visiting the different departments which had been studied during the semester. Several cases were also heard in the Court of Domestic Relations and the Juvenile Court. The public library was also visited, about an hour was spent going thru the different departments. The afternoon was spent at the University of Chicago, walking about the campus and going thru buildings of interest to the class.

1916 Senior Class Calendar
Sunday, June 18—Baccalaureate services.
Monday, June 19—Junior Reception.
Tuesday, June 20—Class Day.
Wednesday, June 21—Graduation Exercises.

Thursday, June 22—Junior-Senior hunt
Friday, June 23—High School Picnic
A school exhibit is being held this Thursday afternoon and evening.

News of the Grades
The entertainment, last Thursday evening, given by the little people under direction of Miss Horcher and Miss Chambers, was a big success. The high school room was not large enough to hold the crowd, so the entertainment was repeated Wednesday evening. The proceeds not only finished paying for the Victoria, but provided funds for a number of records.

The pupils of the 3rd grade are taking great interest in their gardens, all of which are growing very nicely. The third grade display at the school exhibit was one of the most popular.

In the last report from the 4th grade we forgot to mention the most important fact that one of our number, Elmer Krause, was presented an achievement pin for his gardening work. You may be sure we are as proud of Elmer as he is of his pin. Two members of our class have moved away and we miss them very much. Frederick Snyder is a welcome addition to the 5th grade.

Grades 5 and 6 are proud possessors of new pennants. Both grades have chosen yellow and white as their class colors.

More and more are the American people expressing themselves thru the parade. Does a labor union, a political party, a fraternity, wish to show its strength? Straightway, it falls in line and proceeds to parade. Of all the processions which have ever swirled their way thru town and village, those made up of children are the most significant, the most appealing, the most inspiring. On Wednesday the children of the public schools marched joyously thru the streets of our village. Probably few of them had any serious thoughts. But to the thoughtful onlooker the long line of children presented a powerful plea for wider opportunity and greater safeguarding.

Friday another and a longer line of children marched to martial music thru green fields. They made a charming picture as they wound in and out among the great trees of Deer Grove Park.

Clyde Rapp and Helen Roehler represented the 5th and 6th grades at Deer Grove athletic events. Cannot something be done to banish from the face of the earth the pestiferous vender of whistles and that particular variety of balloon which is blown up? Both of which articles are dear to the small boy and his sister, but, when passed from mouth to mouth become a menace to the public health. Still greater is the danger, when the vender, apparently one of humanity's derelicts, obligingly blows up the fascinating article and passes it to his small customer.

The annual festival at Deer Grove Park was much enjoyed by the 6A and 7th grades. In the 7th grade three pupils carried off ribbons as follows: Marshall Pate blue ribbons in 50 yd. dash and high jump of class C. Stephen Bencie in class B, red ribbon in 50 yd. dash and white ribbon in broad jump, Ida Johnson, Class B, blue ribbon in the potato race. In the 6A grade, Gertrude Lorenzen, Class C, white ribbon in potato race.

The 8th grade class has elected the following officers: President, Thurman Dodge; Vice President, Irving Chapman; Sec. and Treas., Gertrude Roehler. The colors are purple and gold.

The 8th grade was well represented at Deer Grove Park last Friday. Those who won ribbons are as follows:
Helen Klehm, 1st place in Class B. Girl's base ball throw.
Irving Chapman is the proud possessor of four ribbons, viz: 3rd in 50 and 100 yd dashes, and 2nd in 220 yd. dash and running high jump.

Norman P. Earle, Star Middle
Second highest honors in this year's class of graduates of the United States naval academy at Annapolis have been won by an Illinois boy, Midshipman Norman P. Earle, a son of Dr. C. A. Earle of DesPlaines. In a class of 178 he was second only to H. M. Mullinix of Indiana. Members of the class obtained their diplomas June 3. Midshipman Earle has been assigned to the torpedo boat destroyer Wadsworth, one of the latest and speediest additions to the navy.

EVERYTHING is possible
among a people who cradle Presidents in mud-chinked cabins?

"Time was when a coal-of-arms meant a lot. Now its the arms in the coal that count. Your name in Burke's Peerage may give us an idea of the sort of ancestor you had but Dun's Peerage is more likely to show what kind of ancestor you're apt. to prove."

Arlington Athletic Club Victorious

The Home Club has again struck the winning stride, so prevalent last season. The Raven Athletic Club went home last Sunday carrying a 4 to 3 defeat with them. It was the club's game all the way and with Love toying with the visitors the Ravens never had a "look in." The Home Club gathered its cluster of ns in the third and sixth innings on few hits by Hertel, Hansan, Earle and Schneberger. These hits interspersed with fast work off the bases and a few Merkle plays by the visitors won the game for the club. The Ravens threatened in the ninth when they got two men on bases with one down, but Love retired the last two men on strikeouts and left the club its first victory of the number that are to follow.

In reply to the challenge hurled at the Club by Mt. Prospect; Wm. Niemeyer the manager says that it will fill his heart with joy to meet them. Arrangements are on foot to play this game on the Fourth of July.

A. A. C. will cross bats with the South Chicago Sunday at the A. A. C. Ball Park. Game called at 2:45 P. M. Sharp. Admission Gents 25c, Ladies 15c, Children 10c.

ANNUAL SCHOOL FESTIVAL

The 4th annual Country Life festival at Deer Grove Park June 2 passed into history as the best event of its kind ever staged in Cook Co. After a night of storm and a cloudy morning the day came forth with all the fairness of which June is capable and the grove was at its best. It was estimated that the attendance reached 2500, about a third of these being school boys and girls representing 3 villages and 17 or 18 rural districts. Much credit is due Country Life Director E. M. Phillips and Supts. Zoll, Lowman and Smith for the able manner in which the events of the day were managed. The task of handling 700 or 800 pupils on such a day so that all may take some part in the athletics or other exercises is no small one. A time schedule was arranged for all events and the program carried out accordingly. Everything printed on the program was fully carried out and on time. The special features of the day were the grand parade in which all the schools participated, the excellent music by the Barrington High School band, the splendid address by Prof. Weaver, folk dancing by the Palatine lower grades, boy scout maneuvers by the Barrington boys and the excellent solos rendered by Miss McCune of Palatine and Miss Plagge of Barrington. It was a day of enjoyment for every body—a time for mingling socially. The basket picnics at the noon hour were especially conducive to this. The girls base ball game between Palatine and Arlington Heights was an entertaining affair, both teams playing with considerable snap and skill. Palatine, however, had the best of the argument as the score was 14 to 7 in favor of Palatine. In the track and field meet Barrington won a majority of the points especially in classes A and B. Palatine was second with Arlington Heights third.

The graduates of the country schools, who received diplomas were Dist. 14—George C. Morris, Emil H. Schroeder, Alvin C. Schroeder, William L. Fremd Dist. 19—Herbert P. Poppe, Dist. 9—Peal Hanson, Roy Johnson, Clarence Fisher, Dist. 6—Ora Schlorf, Dist. 7—Martha French Dist. 8—Mabel Heimann.

Are the C. & N. W. Ry. Officials partial to dry towns or why do they do so much more for the dry towns of Woodstock, Crystal Lake, Barrington and DesPlaines giving them new depots with all modern improvements and beautiful surroundings that attract visitors and make them want to locate in such places while they leave Palatine and Arlington Heights where the Co. gets equally or better business patronage in the same old background. We don't even have electric lights but still use the old oil lamps in and about the depots. They did not pay anything towards our water works and sewer systems but receive the benefits from both. They asked for and secured a discount on their paving assessment. Arlington Heights pays the Ry. Co. large sums for passenger and freight service and exorbitant express rates and is entitled to like liberal consideration.

Local No. 8 of the Cook Co. Truck Gardeners and Farmers Association will hold a picnic, Sunday, June 18 in Schnells Grove.
